

Don't let the kids take over.*

AI Execution Day Get AI-fit in one day.

* At least not without you knowing how it works. Make sure you can keep up with your kids' learning curve by getting AI-fit yourself.

THE DAY

- 09:00** **How AI really works** — and where it fails
- 10:30** **The toolbox, hands-on** — the apps your kids already use
- 12:00** **Automate your everyday** — mail, admin, planning, family life
- 13:00** **Lunch**
- 14:00** **Build your own** — a small app, made with AI, no coding needed
- 16:00** **Stay safe** — deepfakes, scams, privacy and your kids

YOU LEAVE WITH

- ✓ Your own little AI app
- ✓ Your personal AI toolkit
- ✓ Hours saved every week
- ✓ Real answers to your kids' questions
